Synopsis

One day, into a peaceful, ordered Billabong community of Aussie animals, there crashed a large shiny object from out of the clear blue sky! Was this a mythical creature? A figment of their mass imaginations? Or an extinct animal come to live amongst them?

The story of the shy intruder unfolds within a beautifully crafted script for young people and there are 13 original songs. The Billabongians eventually learn that everyone can live in peace with each other in their world of Gumleaves, so very far from the Galaxy that contains the planet of Thingo whose inhabitants had only numbers and lived on information....

From Galaxies to Gumleaves is designed for primary school children to perform for a mixed audience of adults and children. It is also written for a large cast to enable the involvement of as many children as possible in the fun of drama, music and theatre
